Resinol
healed that skin trouble

When you think what a source of annoyance and suffering that eczema has been to me in the past three years, do you wonder I am thankful that the doctor prescribed Resinol? The very first time I used it, the itching stopped and in a surprisingly short time the eruption began to disappear. Resinol Soap should usually be used with Resinol Ointment to prepare the skin to receive the Resinol medication. Resinol Soap and Resinol Ointment are sold by all druggists. Resinol Soap helps to clear away complexions.
